\* Replacement parts for portable heaters manufactured prior to 10/03.

\*\* P-114B Thermocouple only when compatible with P-112B Gas Valve.

#### REPAIR INFORMATION:

Consult the portable infra-red construction heater's Installation, Operation and Maintenance Manual for applicable warnings, operation, lighting, shutdown and specific maintenance instructions.

**A heater with the following condition may be returned to Detroit Radiant Products for repair.**

**Symptom:** Fuel mixture burning within the rayhead assembly (behind ceramic surface).

**Identified By:** No orange glow on ceramic surface (and/or abnormal noise) while operating.

**Immediate Action:** Turn off heater.

**Possible Cause:** Cracked ceramics, loose ceramics, missing gasket material or other physical abuses.

**Corrective Action:** Replace rayhead assembly or return to Detroit Radiant Products for repair.

Repair cost is \$48.00 for each P-16T model and \$55.00 for each P-32T model. Repair charges include return shipping and handling costs. Units can be returned COD via UPS or DHL (additional fees for COD service will apply).

The preferred method of payment is credit card (Visa or MasterCard). Include a valid credit card number along with name on card and expiration date. The alternate payment method is personal check. Please make check payable to Detroit Radiant Products Company for the repair cost amount above.

**DO NOT include** the mounting accessories (tank, hose, bracket, regulator, etc.). Be sure to enclose the heater (packaged tightly), payment information, the return address and a contact phone number. If your heater requires work in addition to burner reconstruction, you will be contacted with a quote. Lead-time is 2-5 working days. Please call 800-222-1100 with questions.

**Heater returns should be addressed to:** Repair Department  
c/o Detroit Radiant Products Co.  
21400 Hoover Road  
Warren, MI 48089  
Call 586-756-0950 with any questions.
